Loans that change lives

### **Hempfield Kiva Club — Students Changing Lives through Loans**

**[KIVA](#) has a mission to connect people through lending to alleviate poverty.**

**Leveraging the internet and a worldwide network of microfinance institutions, Kiva enables individuals to lend as little as \$25 to help create opportunity around the world.**

**At [Hempfield Kiva](#), we want to fund people in the US and internationally, so that they can have a chance at a better life through entrepreneurship.**

**Through [Kiva.org](#), our team will be raising money to make microloans to people who pay back the loan over time. Our team can lend those funds again and again, helping people to change their lives through entrepreneurship all over the world.**

**Join us. Help make change!**

The screenshot shows the KIVA website interface. At the top, there's a navigation bar with 'Lend', 'Zip', 'About', 'Teams', 'Updates', and 'Sign in' (with a dropdown arrow) and 'Portfolio'. Below the navigation, the profile for 'Celia' is displayed. It includes the KIVA logo, the name 'Celia', and her location: 'Cayalti - Chiclayo, Peru Retail | Home Products Sales'. There are two tabs: 'LOAN OVERVIEW' and 'REPAYMENT SCHEDULE'. A large photo shows Celia behind a counter in her shop, which is filled with various goods. To the right of the photo, there's a text box: 'A loan of \$450 helps Celia to buy merchandise, such as sugar, rice, milk, noodles, detergents, etc.' Below this, it says '5% funded, \$425 to go' with a progress bar. There's a 'Select amount to lend' section with a dropdown menu set to '\$25' and an orange 'Lend \$25' button. To the right of the button, there's a table with loan details: '14 months (Additional Information)', 'Monthly', 'Jan 25, 2019', 'Feb 9, 2019', and 'Possible'. Below the table, there's a note: 'Your funds will be used to backfill this loan. Repayments will go to you.'
